PART 3: Reading comprehension:

Welcome onboard!

My name is Marian and I am a flight attendant. Providing the passengers what they need and making sure they are comfortable are my main duties.

My job is exciting; I visit many countries every year and never know where I'll be in the next week. Of course it's also tiring, and I can't spend the weekends or holidays with my family but it's worth it.

I wanted to be a flight attendant since I was a little girl, so I did everything I was advised to, in order to get the job I always wanted. I think it's very important to prepare yourself to do what you dream on, and if you are really concerned on learning and you take it seriously, you will probably get what you want.

Write true (T) or false (F). You'll have to explain orally when it's false:

- a) Marian is a plane pilot. ()
- b) Marian likes her job. ()
- c) Marian's main duties at work are taking care of the passengers and make them feel comfortable. ()
- d) She travels a lot. ()
- e) She enjoys the weekends with her family and friends. ()
- f) She wanted to be a flight attendant since she was in college. ()
- g) If you want something, you have to be concerned on learning and take it seriously. ()
- h) Marian didn't listen to the advices she got. ()
- i) Marian doesn't know where she is now. ()
- j) She has no idea where she's going to travel to next week. ()
- k) She's tired of her job as a flight attendant. ()
